NOTICE: Skier and ski lift passengers are governed by the New York State Safety in Skiing Code (Article 18, of the NYS General Obligations law). Before accepting this pass or allowing this pass to be affixed to your person, your attention is directed to a posted "WARNING TO SKIERS" which is printed below and where lift passes are purchased. New York Law requires you to seek out, read, review and understand the "Warning to Skiers" before you decide to participate in the sport of skiing or boarding.
WARNING TO SKIERS AND BOARDERS: Downhill skiing and boarding, as in other sports, contains inherent risks, including but not limited to the risk of personal injury, including catastrophic injury or death or property damage, which may be caused by variations in terrain or weather conditions or surface or subsurface snow, ice, bare spots or areas of thin cover, moguls, ruts bumps or other persons using the facilities; or rocks, branches, forest growth, debris, roots, stumps or other natural objects or manmade objects that are incidental to the provision or maintenance of a skiing and boarding facility in New York State. New York State law imposes a duty on you to become apprised of and understand the risks inherent in the sport of skiing and boarding, which are set forth above, so that you may make an informed decision of whether to participate in skiing and boarding notwithstanding the risks. New York also imposes additional duties upon you, which are set forth in the NYS Article 18 Responsibility Code (posted around Brantling) to which you must adhere for the purpose of avoiding injury caused by any of the risks inherent in skiing and boarding. If you are not willing to assume all of these risks and abide by these duties, you must not participate in skiing and boarding at this area.

In signing this application and receiving a pass, I signify that I am aware of and understand the risks inherent in the sport of skiing and that I am accountable for my action as set forth on the WARNING TO SKIERS signs. I agree and acknowledge that I have made a voluntary choice to participate in these activities at Brantling with the risk that they present. In consideration of being permitted to participate in a ski or snowboard instructional program at Brantling, I agree to ASSUME ANY AND ALL RISK OF INJURY OR DEATH, which might be associated with, or result from, my participation in these activities. I agree that this acknowledgement shall be for the entire term of the pass received. All program participants must sign this application before it can be processed and the pass distributed.
